PROFILE SUMMARY

Aspiring Frontend Developer skilled in React, Tailwind CSS, and Firebase. Passionate about building interactive, user-friendly web applications. Completed a frontend development course and built projects showcasing my skills. Seeking remote or part-time opportunities to apply my knowledge in a professional setting.

EDUCATION

- *Eden Mohila College*
  BBA in Finance and Banking (2024-Running)

Pursuing a BBA with a focus on [mention specialization if any, e.g., Marketing, Finance, etc.]. Developing strong analytical, problem-solving, and management skills, along with a solid understanding of business operations and strategy. Enhancing my ability to collaborate in team environments and apply critical thinking to real-world business challenges.

- *Creative it Institution*
  MERN Full Stack (Diploma) (2024-Running)

Aspiring frontend developer with a strong foundation in modern web technologies, including React.js, Tailwind CSS, and Firebase. Successfully completed the frontend specialization of a MERN Full Stack (Diploma) course, gaining hands-on experience in building responsive and interactive web applications. Currently pursuing a BBA, enhancing my problem-solving, teamwork, and business acumen—enabling me to bridge the gap between technology and user experience. Passionate about creating visually appealing and user-friendly web solutions. Open to opportunities where I can contribute my technical skills and continue growing in a dynamic environment.
